Teaching Cultural Competence in Nursing and Health Care: Inquiry, Action, and Innovation

Marianne R. Jeffreys EdD RN

Winner of an *AJN* Book of the Year Award!

Preparing nurses and other health professionals to provide quality health care amid the increasingly multicultural and global society of the 21st century requires a new, comprehensive approach that emphasizes cultural competence education throughout professional education and professional practice. Written in response to this need, *Teaching Cultural Competence in Nursing and Health Care* is intended as a primary resource for educators and graduate students in academic settings, health care institutions, and professional associations.

It is the only book that presents a research-supported conceptual model and a valid, reliable corresponding questionnaire to guide educational strategy design, implementation, and evaluation. *Teaching Cultural Competence in Nursing and Health Care* provides readers with valuable tools and strategies for cultural competence education that can easily be adapted by educators at all levels.
