The Dirt Diary Anna Staniszewski

Eighth grade never smelled so bad.

Rachel Lee didn't think anything could be worse than her parents splitting up. She was wrong. Working for her mom's new house-cleaning business puts Rachel in the dirty bathrooms of the most popular kids in the eighth grade. Which does not help her already loser-ish reputation. But her new job has surprising perks: enough dirt on the in-crowd to fill up her (until recently) boring diary. She never intended to reveal her secrets, but when the hottest guy in school pays her to spy on his girlfriend Rachel decides to get her hands dirty.

From reader reviews:

Mildred Bostwick:

As people who live in the modest era should be update about what going on or facts even knowledge to make all of them keep up with the era which can be always change and make progress. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to anyone is you don't know which one you should start with. This The Dirt Diary is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Dora Dickey:

People live in this new day of lifestyle always try to and must have the free time or they will get lots of stress from both way of life and work. So , if we ask do people have time, we will say absolutely of course. People is human not a robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer can unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative with spending your spare time, often the book you have read is actually The Dirt Diary.

John Singletary:

This The Dirt Diary is great guide for you because the content which can be full of information for you who also always deal with world and have to make decision every minute. This kind of book reveal it facts accurately using great coordinate word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with wonderful delivering sentences. Having The Dirt Diary in your hand like having the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world throughout ten or fifteen tiny right but this book already do that. So , this really is good reading book. Hi Mr. and Mrs. active do you still doubt that will?

Steven Green:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book has been rare? Why so many problem for the book? But almost any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but in addition novel and The Dirt Diary or even others sources were given expertise for you. After you know how the great a book, you feel need to read more and more. Science guide was created for teacher as well as students especially. Those ebooks are helping them to add their knowledge. In various other case, beside science reserve, any other book likes The Dirt Diary to make your spare time much more colorful. Many types of book like this one.
