This classic introduction to criminal law for criminal justice students combines the best features of a casebook and a textbook. *Criminal Law* covers substantive criminal law and explores its principles, sources, distinctions, and limitations. Definitions and elements of crimes are explained, and defenses to crimes are thoroughly analyzed. A unique strength of *Criminal Law* is its discussion of the federal criminal code and the specific recognition of the common-law origins of modern law. Each chapter includes guidance to help students understand what is important: outlines, key terms and concepts, as well as Legal News sections that highlight current criminal law issues. Briefs of judicial decisions help students learn rule of law as well as the reasoning of the court that guides future court rulings.
