Homeland and Philosophy (Popular Culture and Philosophy)

Homeland and Philosophy (Popular Culture and Philosophy)

In *Homeland and Philosophy*, 23 philosophers tackle the issues that Showtime's award winning show, *Homeland*, asks us to consider. The show, which centers on Marine Sergeant Nicholas Brody's release from an al-Qaeda prison, and CIA Agent Carrie Mathison's distrust of his intentions, asks questions of identity, what it means to be a terrorist, the conditions and effects of brainwashing, lying for the greater good, and whether or not courage is a virtue.

But these questions are only a few among many that are explored in the shadowy spy-filled world of *Homeland*. Through the lenses of Rawls, Kant, Arendt, Foucault, Heidegger, Sartre, and Kierkegaard, among others, *Homeland and Philosophy* considers the ethics of drone warfare; whether or not Carrie Mathison's personality changes and psychological disorder make her an interesting character study in the metaphysics of personhood; at what point is privacy only an illusion; and concepts of torture, punishment, and discipline.

Nicholas Brody is a Marine, a terrorist, a double agent, a congressman, a father, a husband, a lover, and a friend...but who is Nicholas Brody?
