The Call to Write, Brief John Trimbur

The brief sixth edition of THE CALL TO WRITE continues and expands its creative approach to college composition. Organized by genres, including letters, memoirs, profiles, reports, commentaries, proposals, and reviews, and including new chapters on the essay and on multigenre writing, this innovative rhetoric gives students the practice they need to write in college and in the public sphere. Timely, provocative readings promote social engagement, encouraging students to become involved, through public writing, in their community and in the greater world around them.
