Gotham Writers' Workshop has mastered the art of teaching the craft of writing in a way that is practical, accessible, and entertaining. Now the techniques of this renowned school are available in this book.

Here you'll find:

- The fundamental elements of fiction craft-character, plot, point of view, etc.-explained clearly and completely
- Key concepts illustrated with passages from great works of fiction
- The complete text of "Cathedral" by Raymond Carver-a masterpiece of contemporary short fiction that is analyzed throughout the book
- Exercises that let you immediately apply what you learn to your own writing

Written by Gotham Writers' Workshop expert instructors and edited by Dean of Faculty Alexander Steele, *Writing Fiction* offers the same methods and exercises that have earned the school international acclaim.

Once you've read-and written-your way through this book, you'll have a command of craft that will enable you to turn your ideas into effective short stories and novels.

You will be a writer.
