Fear Nothing: A Novel (Christopher Snow) Dean Koontz

If you're different enough, the night is not your enemy, the darkness is not intimidating, the shadows are not terrifying. You fear nothing.

Christopher Snow is different from all the other residents of Moonlight Bay, different from anyone you've ever met. For Christopher Snow has made his peace with a very rare genetic disorder that leaves him dangerously vulnerable to light. His life is filled with the fascinating rituals of one who must embrace the dark. He knows the night as no one else can—its mystery, its beauty, its terrors, and the eerie silken rhythms that seduce one into believing anything—even freedom—is possible.

Until the night Christopher Snow witnesses a series of disturbing incidents that sweep him into a violent mystery only he can solve, a mystery that will force him to rise above all fears and confront the many-layered secrets of Moonlight Bay and its strange inhabitants. A place, like all places, that looks a lot different after dark.
