Malevolent: Book 1 in the Cases of Lieutenant Kane Series of Police Procedural Novels

Tampa homicide lieutenant Carl Kane has a tough job. His day to day consists of decomposing dead bodies and removing murderers from the general public. But when two women's bodies are found under similar circumstances, it quickly turns into more than your average case. The killer is clearly looking to make a name for himself, and his plans for these women go far beyond death.

When the media runs with the story, the killer's moment in the spotlight arrives.

It's up to Lieutenant Kane to bring the man the press has dubbed the Psycho Surgeon to justice. However, being the lead on the case has its drawbacks—like becoming the focus of the killer yourself.

As Lieutenant Kane closes in on his suspect, he soon realizes the case has become far more personal than he could have ever imagined.
