New American Standard Bible-NASB 1995 (Includes Translators' Notes) The Lockman Foundation

This Kindle edition includes the NASB Translators' Notes in the text following paragraphs and poetic verses. Another Kindle edition is available without the Translators' Notes.

Originally produced in 1971, the NASB is widely embraced and trusted as a literal English translation. Today, the updated NASB offers increased clarity and readability for greater understanding and smoother reading while maintaining accuracy. The NASB speaks with fresh power to each generation, to give wisdom that leads to salvation so that men and women may serve Christ for the glory of God.

The NASB has been produced with the conviction that the words of Scripture, as originally penned in the Hebrew, Aramaic, and Greek, were inspired by God. You can be assured that, instead of telling the reader what to think, the NASB provides the most precise translation with which to conduct a personal journey through the Word of God.

Trust, discover, and enjoy the NASB for yourself today.
