The Beatles (Updated Edition)

Hunter Davies

The Beatles (Updated Edition) Hunter Davies

The book that defines a band that defined a generation.

During 1967 and 1968 Hunter Davies spent eighteen months with the Beatles at the peak of their powers as they defined a generation and rewrote popular music. As their only authorized biographer, he had unparalleled access?not just to John, Paul, George, and Ringo but also to friends, family, and colleagues. Davies collected a wealth of intimate and revealing material that still makes this the classic Beatles book?the one all other biographers look to. He remained close with the band and had access to more information over the years. This edition brings the story up-to-date with new material on the Beatles's solo careers and lives, as well as the stories of many other people who appear in the book. Drawing on new material from the author's archives and from the Beatles themselves, including a newly discovered song lyric by George Harrison, this edition brings new insights to the Beatles legend. 69 black-and-white photographs

From reader reviews:

Karen Lheureux:

Now a day people that Living in the era everywhere everything reachable by interact with the internet and the resources included can be true or not call for people to be aware of each details they get. How people have to be smart in getting any information nowadays? Of course the correct answer is reading a book. Examining a book can help people out of this uncertainty Information specially this The Beatles (Updated Edition) book as this book offers you rich information and knowledge. Of course the details in this book hundred percent guarantees there is no doubt in it you probably know this.

Lyla Jackson:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a expertise or any news even a problem. What people must be consider when those information which is from the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take The Beatles (Updated Edition) as the daily resource information.

Kevin Caputo:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only the storyline that share in the books. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this The Beatles (Updated Edition).

Phillip Darrah:

Your reading 6th sense will not betray an individual, why because this The Beatles (Updated Edition) book written by well-known writer whose to say well how to make book which might be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your own hunger then you still skepticism The Beatles (Updated Edition) as good book not only by the cover but also from the content. This is one publication that can break don't assess book by its protect, so do you still needing an additional sixth sense to pick this!? Oh come on your studying sixth sense already alerted you so why you have to listening to yet another sixth sense.
