Dante's Inferno

Dante Alighieri

Dante's Inferno Dante Alighieri

Dante's Inferno. An epic and searing poem, that takes the reader on an intense journey through the darkest pits of hell. As important and classic as the day it was written over 600 years ago. Dante's Inferno is one of the best and enduring works of Western Civilization. The immortal drama of a journey through Hell. Belonging in the immortal company of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest at the ways in which men have thwarted the divine plan. One of the few literary works which has enjoyed a fame that was both immediate and enduring, The Inferno's power has not been lessened or obscured after six centuries. It confronts the most universal values—good and evil, free will and predestination—while remaining intensely personal and ferociously political, for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times.
