## **Tamed** Chloe Parks

Here is the first book in the ‘Tamed’ Series by author Chloe Parks, a seductive contemporary romance filled with intense passion and sensuality.

Leah and Stacy are identical twins, but they couldn’t have more different lives. Leah is broke and jobless, while Stacy is a star of the popular soap opera Young, Wild and Rich. But when Stacy suddenly disappears, Leah must find a way to adapt to her sister’s lifestyle in order to save her job.

Now she finds herself in the spotlight, impersonating her sister in a lead soap-opera role, and trying not to lose her head over her sexy co-star Matt Delaney and his mind-numbingly magnetic good looks. Matt is utterly gorgeous—sharp blue eyes, a chiseled face, and a body that makes Leah feel giddy. How will she be able to keep her head on set when sexy Matt Delaney is around? Romance combined with mistaken identity proves a recipe for drama, as nothing stays simple in Leah’s new double-life.

Only mature readers should download this book.
