Empower teacher leaders through the power of case study

Many teachers are looking for the training and support they need to become leaders. Like having a conversation with a successful teacher leader, this practical guide will help teachers strengthen their leadership skills, optimize student learning, and enhance the profession. Research shows that case study is the most effective training method, and this book provides:

- 16 compelling case studies that cover a broad range of leadership experiences
- Explicit guidance on using case writing and case analysis to enrich teachers' professional learning
- A facilitator's guide with discussion questions for each case study
