Excerpt from The Romantic Story of the Puritan Fathers: And Their Founding of New Boston and the Massachusetts Bay Colony Together With Some Account of the Conditions Which Led to Their Departure From Old Boston and the Neighbouring Towns in England

"The Puritan's task was to conquer a continent; not merely to overrun it, but to settle it, to till it, to build upon it a high industrial and social life; and, while engaged in the rough work of taming the shaggy wilderness, at that very time also to lay deep the immovable foundations of our whole American system of civil, political, and religious liberty achieved through the orderly process of law."
