The Unknown Musician is a five part novel based on a true story. It depicts a young man's unthinkable dream of having the best R&B show band the world has ever seen. In pursuing that dream, he successfully recruited eleven dedicated young musicians, who adopted his dream and together they set out on a whirlwind journey to make that dream a reality. During the course of their journey, they encountered numerous celebrities such as James Brown, Little Richard, Bill Cosby, Isaac Hayes, and Michael Jackson as they attempted to establish themselves in the music industry. The Unknown Musician is filled with adventure, passion, humor and suspense. It also has its share of tragedy. Although told through the eyes of a musician, this compelling story is intended to motivate and encourage others to live their dreams, celebrate each achievement, and realize that fame and fortune are not the only measures of success.
