When he is captured by a ruthless Valdier royal and sold to a mining operation the last thing he expected to find with his bride mate.

Vox isn't sure which would be easier: fighting another war with the Valdier or capturing and holding onto the human female who is unlike anything he has ever encountered before.

Now, Vox has to escape back to his world while fighting pirates, traders, and Riley!

The King of Sarafin has met his match with Ms. Riley St. Claire from Earth. Now, he just needs to figure out a way to let her know he has chosen her as his Queen and he has every intention of keeping her by his side forever.
