Dra. Susan Love

El libro de la mama de la Dra. Susan Love (Spanish Edition) Dra. Susan Love

Desde que apareció en 1990, Dr. Susan Love's Breast Book, y a lo largo de sus cinco ediciones en inglés, este libro se ha convertido en una especie de Biblia para el cuidado de las mamas y los riesgos que se pueden enfrentar. Es una guía útil para quien quiera entender todo lo relacionado con las mamas, quien esté preocupada por el cáncer de mama y para quienes lo hayan superado. Aunque incluye los últimos avances médicos, utiliza un estilo sencillo, accesible y didáctico para analizar las razones científicas que dan origen al cáncer de mama. Sin embargo, también aborda temas como antecedentes genéticos, la fisiología, el amamantamiento, la sexualidad o la cirugía plástica. Asimismo, analiza con gran sensibilidad las consecuencias físicas, emocionales y familiares del cáncer de mama. La doctora Love elimina barreras entre autor y lector, con numerosos ejemplos que describen situaciones que le pueden pasar a cualquiera. Esta obra, que por primera vez aparece en español, a partir de la traducción de la última edición, no se trata de un pesado manual médico-científico sobre el cáncer de mama orientado a los especialistas, sino una amplia guía pensada para ti, que aborda todos los enfoques, desde los científicos hasta los emocionales, de una forma completa, sencilla y amena.
