Lanham, Richard's Analyzing Prose: Second Edition 1st (first) edition by Lanham, Richard published by Continuum [Paperback] (2003)

This second edition of the classic linguistics text provides a basic descriptive terminology for prose style. What is a noun style? A verb style? A hypotactic or a paratactic one? How does the running style differ from the periodic style? What do "high, middle, and low" prose style mean? How might one apply the classical terminology of rhetorical figures to prose analysis? Analyzing Prose supplies detailed, carefully charted answers to these questions in order to teach the student of prose style how and where to begin.
