# Theory and Practice of Corporate Social Responsibility

## Theory and Practice of Corporate Social Responsibility

Modern businesses and organizations understand that corporate social responsibility (CSR) has become an important factor for sustainable success. At the same time CSR has established itself as a widely accepted element of courses in managerial training and education. This book, designed to support CSR teaching, collects 14 essays that clearly illustrate and explain the benefits and challenges of socially responsible corporate policies.

Aligning theory and practice, the book focuses on four central themes: management, environment and sustainability, corporate social responsibility, and accounting and financial reporting. Business students and experienced managers alike will find this book a valuable resource that helps them to discover the strong forces that link successful management with corporate social responsibility.
