Curious young readers will love to take a journey with Baby Owl as she flies far and wide over the forest and the river, the farm and the mountains, then back to her nest, in this adorable, interactive board book. Every scene has a colorful, illustrated natural habitat, along with a big flap for little hands to lift up - and peek underneath, to discover just who lives there! A great guessing game book to share with even the youngest of children, as they lift the flaps and learn about animals and their homes.
