The Wish List

Barbara Ann Kipfer

The Wish List Barbara Ann Kipfer

The Wish List is a quirky little gift book that sounds an irresistible call to get out there and start living. In the same chunky format as the author's bestselling *14,000 Things to Be Happy About*, *The Wish List* presents a compulsively readable list of unexpected goals. There are wishes large--retrace Odysseus' route around the Mediterranean--and wishes small--find a genuine arrowhead. There are artistic wishes--write a sonnet. Athletic wishes--learn to box. Practical wishes--master the rudiments of plumbing. Whimsical wishes--become a taster at Ben & Jerry's. And fantasy wishes--live in a Venetian palazzo. *The Wish List* is meant to plant seeds, jog us out of complacency, and articulate unspoken desires.

63,000 copies in print.

From reader reviews:

Jack Lumpkin:

Book is to be different for each grade. Book for children until finally adult are different content. We all know that that book is very important normally. The book The Wish List has been making you to know about other understanding and of course you can take more information. It is rather advantages for you. The reserve The Wish List is not only giving you a lot more new information but also to get your friend when you truly feel bored. You can spend your spend time to read your reserve. Try to make relationship together with the book The Wish List. You never experience lose out for everything in case you read some books.

Rosalyn Kendall:

Often the book The Wish List will bring one to the new experience of reading a book. The author style to explain the idea is very unique. In case you try to find new book to study, this book very acceptable to you. The book The Wish List is much recommended to you to study. You can also get the e-book from official web site, so you can more easily to read the book.

Kristy Douglas:

Why? Because this The Wish List is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book have got such as help improving your proficiency and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the reserve store hurriedly.

Kimberly Martin:

Your reading 6th sense will not betray you actually, why because this The Wish List book written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still doubt The Wish List as good book but not only by the cover but also by content. This is one guide that can break don't judge book by its deal with, so do you still needing a different sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.
