Brad Thor Collectors' Edition #4: The Athena Project, Full Black, and Black List Brad Thor

An elegant hardcover boxed set including *The Athena Project*, *Full Black*, and *Black List*, from #1 *New York Times* bestselling author Brad Thor.

“[Brad Thor] and Harvath are the real deal, and you should accept no substitutes.” —BookReporter.com

Both a must-have for any fan of Brad Thor and the perfect introduction to his masterful thrillers, this handsomely bound edition is one of four special Collector’s Editions, available now. Follow counterterrorism operative and ex-SEAL Scot Harvath’s action-packed exploits, and discover why Brad Thor has been called “America’s favorite author” (KKTIX).

THE ATHENA PROJECT

When a terrorist attack in Rome kills more than twenty Americans, four of Delta Force’s best and brightest women—part of a top-secret program codenamed the Athena Project—are tasked with hunting down a Venetian arms dealer. But as team members Gretchen Casey, Julie Ericsson, Megan Rhodes, and Alex Cooper close in on their target, the deadly assignment unearths a grisly discovery in the jungles of South America . . . and a foreign spy penetrating a mysterious secret hidden in the American West. With an unthinkable second attack already set in motion, the women of the Athena Project race to uncover the greatest of threats: the secrets kept by their own government.

FULL BLACK

Born in the shadows and kept from heads of state, some missions are so deadly, so sensitive, that they simply don’t exist. When one such mission goes horribly wrong, only former Navy SEAL Team 6 member turned covert counterterrorism operative Scot Harvath can carry out an audacious plan to prevent the United States from facing complete and total collapse. But as the identities of the perpetrators are laid bare, Harvath will be left with only one means to save America. Unable to trust anyone, he will be forced to go full black.

BLACK LIST

Somewhere...deep inside the United States government is a closely guarded list. Once your name is on the list, it doesn’t come off...until you’re dead. Someone...has just added counterterrorism operative Scot Harvath’s name. Somehow...Harvath must evade assassination long enough to untangle who has targeted him and why. Somewhere, someone, somehow...can put all the pieces together. But Harvath must get to that person before the United States suffers the most withering terrorist attack ever conceived.
