Cast Away: The Shooting Script William Broyles

So begins William Broyles, Jr.'s fascinating introduction, written exclusively for this book, about the process and challenges inherent in writing a screenplay that was not, by design, going to have a lot of dialogue in it, and about his collaboration with two extraordinarily gifted artists, actor Tom Hanks and director Robert Zemeckis.

Broyles's introduction shows how a movie and its story evolve, shift, and shape while the creators grapple with all manner of internal and external choices: from developing what was Tom Hanks's idea into a story, and building a narrative structure and thematic threads into a screenplay, to researching the details of the specific—and ironic—situation of a FedEx executive stranded on a desert island.

Also included in this unique Newmarket Shooting Script® edition is the complete shooting script, a preface to the script by Academy Award®-winning filmmaker Robert Zemeckis (*Forrest Gump*, *Contact*), movie stills, and complete cast and crew credits.
