BOOKS INCLUDED:

-----  
SHTF Stockpile: The Items You'll Regret Not Having When SHTF  
-----

Do you have the items you will need for when SHTF?

Those things that will fly off the shelf the minute there is a disaster?

You will want to have enough of the things that you will miss the most.

You might have a stockpile of things that you know your family will need in case of a disaster.

But do you have a barter stockpile, as well?

When things hit the fan, the economy might collapse and paper money will be nearly worthless.

Non-monetary goods will be more valuable than ever.

This short, no-fluff guide will show you exactly what to store right now so you can survive the worst situations.

-----  
Prepper Weapons: Alternative Weapons to Defend Your Family When SHTF  
-----

You many have a firearm or two for survival.

You are pretty much covered, right?

What if the ammo or the reloading components run out?

Getting more ammo in a survival situation might be more expensive than you can afford.

Having back up weapons is a smart idea.

Many alternative weapons are quiet, something that cannot be said for a gun.

A gun can give away your location or scare off potential game if you miss your shot.

-----  
**Survival Vehicle: The Vehicle You Will Need to Survive When SHTF**  
-----

No matter how much you prepare at home or at your bug out spot, you need a vehicle to get away from danger safely.

You want to make your car or truck ready for survival just like you are.

This guide will get you started on choosing and preparing your ideal survival vehicle for when the world collapses and you need to escape for your life.
