## **The Cosmic Tribe Tarot** Eric Ganther

- The first tarot deck for the neotribal technopagan from an avant-garde computer revolutionary
- The most revolutionary tarot deck to appear since Aleister Crowley's *Thoth Tarot*
- Synthesizes classic archetypal imagery with state-of-the-art electronic wizardry to create a deck that maps the modern psyche like never before

*The Cosmic Tribe Tarot* is the most revolutionary tarot deck to appear since Aleister Crowley's Thoth Tarot. Synthesizing classic archetypal imagery with state-of-the-art electronic wizardry, Steve Postman has created a deck that maps the modern psyche like no other before. Drawing equally from nature, myth, psychedelics, and contemporary neopagan culture, *The Cosmic Tribe Tarot* speaks to the fears, hopes, and desires of a new generation. Without abandoning the traditional structure that has made the tarot a successful divination tool for centuries, Postman charges his deck with an erotic, mystical energy, showing that the modern tribal movement is at heart a spiritual one. Never before has a tarot so boldly reconnected the contemporary soul to the eternal cosmos.
