Weeks before Christmas. Alicia and Olivia are on their way to Manhattan so the Teen People editors can do a story on them about winning the Octavian Country Day uniform design contest. When Massie finally processes that the girls who hijacked her victory are also modeling for Teen People, she is livid. It should have been her. 'Ehmagod, what will everyone think when they find out it wasn't me who was asked to model? I will be SO over.' Massie decides it's time to get revenge. This snake can not lay idle in the weeds for one more second. Kristen and Dylan throw out terrible 'revenge' suggestions and Massie vetoes them all. She will think of something! But first she has to go home and exfoliate. The social minefields of Westchester County's most privileged middle school girls drive the page-turning action of this addictive series, set in New York City's most elite suburban county. The Clique . . . the only thing harder than getting in is staying in.
