Hailed as “vastly entertaining and deeply troubling” (*The New York Times Book Review*), “as insidious as *Game Change*” (*The Washington Post*), and a “hysterically funny portrait of the capital’s vanities and ambitions” (*The New Yorker*), *This Town* captured America’s attention as *the* political book of 2013. With a new Afterword by author Mark Leibovich, the book that is changing the national conversation about Washington is available in a stunning new edition.

Washington, D.C., might be loathed from every corner of the nation, yet these are fun and busy days at this nexus of big politics, big money, big media, and big vanity. There are no Democrats and Republicans anymore in the nation’s capital, just millionaires. In *This Town*, Mark Leibovich, chief national correspondent for *The New York Times Magazine*, presents a blistering, stunning—and often hysterically funny—examination of our ruling class’s incestuous “media industrial complex.” Through his eyes, we discover how the funeral for a beloved newsman becomes the social event of the year. How political reporters are fetishized for their ability to get their names into the predawn e-mail sent out by the city’s most powerful and puzzled-over journalist. How a disgraced Hill aide can overcome ignominy and maybe emerge with a more potent “brand” than many elected members of Congress. And how an administration bent on “changing Washington” can be sucked into the ways of *This Town* with the same ease with which Tea Party insurgents can, once elected, settle into it like a warm bath.

Outrageous, fascinating, and very necessary, *This Town* is a must-read, whether you’re inside the Beltway—or just trying to get there.
