So, for all of you who want to start studying as your good habit, you may pick Bulletin - Vermont Agricultural Experiment Station Volume 155-167 to become your personal starter.

#### **Lisa Martin:**

As a pupil, I exactly feel bored to reading. If their teacher requested them to go to the library as well as to make a summary for some publication, they are complained. Just little students that have reading's heart or real their leisure activity. They just do what the educator wants, like asked to go to the library. They go there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. A book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise, word says, ways to reach Chinese's country. Therefore this Bulletin - Vermont Agricultural Experiment Station Volume 155-167 can make you really feel more interested to read.

#### **Beverlee Guthrie:**
