## **Marvelous Melvan: Pega-donkey Extraordinaire (Volume 1)** Jeff Kimble

Marvelous Melvan: Pega-donkey Extraordinaire is a fun and fast paced tale of wishes asked, and granted. Sort of. Marvelous Melvan follows Jenny and Karl, a brother-sister duo, as they struggle through adolescence and life with the help of Melvan, a magical pega-donkey with his own issues, including gas. Melvan comes from magical world where creatures still use powers on a daily basis, unlike earth where they have been abandoned. Melvan is brought to our world by Jenny and Karl after they find and use a magical summoning coin. Jenny really was wishing for a Pegasus, but as all brothers do, Karl screwed up what Jenny wanted. Their combined wish brought forth Melvan, a magical flying fart-donkey with powers that include morphing, invisibility, and the power to tell tales and create songs. Jenny and Karl must help Melvan capture and remove from our world a goreling, which is an evil energy being from Melvans home that has taken over the body of a girl named Rachael. Only the kids do not know her as Rachael, since no one knows her real name. All the kids know her, and despise her, as Sweaty Betty. In order to succeed in their adventure and purge the world of the evil goreling, the kids will need to actually help Sweaty Betty, like it or not.
