Mass Killers: How you Can Identify, Workplace, School, or Public Killers Before They Strike Mike Roche

Mass killers erupt from the shadows and inflict carnage on innocent people attending, work, school or public events. The warning signs of these murderers' intentions are often blinking like neon billboards and are overlooked. This book examines the behavioral mindset of these assassins and will assist those seeking knowledge of how to stop these killers from murdering innocent people and the resulting psychological trauma associated from these horrific events.
