This book is about the most stupendously stupid and gruesome person, the biggest thug and murderer history ever bred, and his victims: Adolf Hitler. A nasty little man of no education and a sack full of loony ideas gathered from far-wright grubstreet writers from the gutters of Europe. In this book his victims are described: Jews, gypsies, homosexuals, the resistance fighters, the men of July 20th 1945, like Stauffenberg. Moreover, it gives a summary of the medical experimentations in concentration camps, the doctors involved and other atrocities based on the idiotic race theory of the nazis and their unlearned so-called scientists. Read about German eugenics and racial discrimination in the days of the so-called »Third Reich«. \* Read about the crimes committed by Germans. Additionally find infos on the willing followers inside the wehrmacht and their crimes, the concentration camp system, the holocaust, and those Germans in the resistance, like the »white rose«.
