## **The Sociology of Work: Introduction** Keith Grint

The third edition of this best-selling textbook has been carefully revised to provide an up-to-date, indispensable introduction to the sociology of work. It not only includes clear explanations of classic theories and evidence, but also covers the most cutting-edge research, data, and debates. The book contains substantive new sections on globalisation, including global branding and slave labour, and a new chapter on the myths and realities of modern employment.
